

**Hopewell High School – Softball–Senior Night Speech–2010
Carmin Schelling #20-Outfield**

First off, I have to say thank you to my mom, my dad, and my grandma. I would never have stepped on a softball field if it weren't for you guys, you've been there through it all to encourage me and cheer me on. All of my best memories are from softball, and I owe that to you three for giving me the best opportunity I could have ever asked for, I love you guys so much and thank you. I couldn't have had better luck coaches wise. Throughout the years I've been blessed with the best coaches anyone could ask for; Dan Lewis- thank you for getting me started, I don't think my softball career would have been the same if I would have started off with a bad coach. Coach Greg- although it might not have seemed like it at times, you taught me so much and I know I wouldn't be where I am today if it weren't for you helping me to grow as a player, so thank you. Coach Web- it wasn't the same without you, but thank you so much for everything. Coach Jensen- you did a great job coming into our family, thanks. A big thanks to Avis for all your help, this team would be a mess without you. To my senior girls, we've been through so much the past 7 years and you guys could never be replaced, I love you all a bunch. Thank you Hopewell Softball; I'm off to the next chapter in my life. I know you all wish you could be there with me at the beach. Peace.

Carmin will attend UNC Wilmington this fall
