

My name is Abbie Looper. I currently teach kindergarten in the Charlotte-Mecklenburg School System at River Oaks Academy. I have been in and around the game of softball for nearly 19 years. I played third base for two years at Hopewell (2002 and 2003) and four years at Gardner-Webb University (2004-2007). I am thrilled to have the opportunity to work with the girls at HHS. I have always enjoyed the thrill, hard-work, dedication, and competitiveness of softball. I am extremely excited about working with the Lady Titans and look forward to a successful season. Go Titans!
