

**Hopewell High School – Softball – Senior Night Speech 2010
Kelly Braman#19 - Catcher**

I can't even start to explain how much fun I have had playing softball at Hopewell the past four years. I'm a lucky girl to have been able to play with such great girls and such good coaches. This team is like my other family to me. I'm going to miss playing with my 3 other seniors Stephanie, Chaney, and Carmin. We all have been together for the past 4 years and I can't imagine playing school ball without them.

I want to thank anyone and everyone who has supported me throughout my whole softball career. Especially my parents, they have always been there for me whether its taking me to practice, coming to all my games and paying for all of it. If it wasn't for them and their support I wouldn't be the player I am today.

I also want to thank all the coaches I have had in the past, they all have helped me in there own special way. A special thanks to Coach Webster who coached me for three years and I loved every minute of it, and I know he did too. Even though he said I'm the one girl who makes him want to curse, I knew he meant it out of love. I wish he could have ended my years at Hopewell as my coach but It was still nice having him as a fan; and to Coach Jensen thanks for coming in and dealing with all of us, I know it wasn't easy.

I'm really going to miss playing at Hopewell because honestly its been the best four years a girl could ask for. Thanks for everyone who came out to support, you guys really made being a Hopewell Titan something really special.

Kelly will attend Western Carolina University this fall, where she will continue her softball career as a Catamount
