

Hopewell High School – Softball – Senior Night Speech – 2008
Sophia Ramirez # 16 – Pitcher/Outfield

When I moved from California last year in the middle of junior year, I was pretty apprehensive about how I would fit in at Hopewell High and its softball team. Softball was and still is a passion of mine, and I was hoping that I would meet people who shared that same love of softball. I feel very fortunate to have been welcomed to a team that not only loves the game but also strives for achievement. In the nine years I have played softball, these last two seasons were the most rewarding and memorable. Thank you coaches for pushing us to improve each day, and I will truly miss every girl on the team. I will forever cherish the memories we've shared. Thank you Mom and Dad for your guidance, support, and love. You both have inspired and motivated me like no one else. You have prepared me for the world. Thank you. I also would like to thank my best friends, whom are my siblings, Cassie and Zachery for always being by my side. I hope that you both can use what I've done to do even better in all that you pursue. I love all of you with all my heart and I know our strong bond will withstand even the distance between Huntersville and the College of Santa Fe, New Mexico where I plan to continue playing softball and pursue music.
