

Hopewell High School – Softball – Senior Night Speech – 2010

Stephanie Spain #8 – 1st base & Pitcher

I never thought my four years would go by so quickly and that I would have so many people to thank by the end of them. To my three senior ladies, I can't believe we did it! I genuinely wouldn't have enjoyed it as much without you three and the amazing times we had. You can't imagine how weird it will be not playing with you guys next year, especially Chaney; my One-two punch since 5th grade! Thanks for being my rock. I'll miss you more than words. And Web, after first meeting you in gym class, you've had my heart ever since. Whether you were throwing hats or giving me a hug after a loss, I will always remember you Web. Thanks Jensen for stepping up to coach us and for always having a smile on your face! To Chando, thanks for always looking out for me! Coach Burwell, I'm going to miss your love for me and for the game. Mr. Flaherty, thanks for being at every game. Mrs. Avis, thanks for being so sweet and staying around to watch us four become seniors. To you girls we're leaving behind, thanks for being the strongest team I know and don't forget to eat your pasta next year! Enjoy every bit of it! To the true fans- you know who you are and I love you guys for supporting!

Lastly to my family: Mom, Shannon, and Summer, thanks for always putting up with me and dad's softball talk. Nana and Papa thanks for always being there to support me. And of course to you dad; you know you will always be my number one coach! All these years of softball have taught me how much I love you! Thanks for pushing me hard to realize what I could do and always having confidence in me! I'll be sure to take all of your knowledge with me next year!

Stephanie Spain will be playing softball at Furman University this fall.
