

Hopewell High School – Softball – Senior Night Speech – 2010
Chaney Watson #7 - Shortstop

Thru the past 4 years I have gone thru so many changes but the one constant thing in my life has been softball. I am sad to say this is the last season I will ever play, but I have made lifelong friends, learned life lessons, and had unforgettable memories. I would like to say thank you to Coach Jenson, I know it was intimidating to come on this field after a legendary coach retired, but touché you lasted longer than I thought and survived a full season with the craziest girls. Coach web, just seeing you brightens my day- every time I step onto this field I think of you, I missed you this year but I'm so happy you've made it out to a lot of games. To Coach Greg, I owe you the most; You have taught me everything I know about softball, I know sometimes we butt heads but I appreciate every tip and hint of advice you share with me. Ms Avis Lewis: hands down no one could do what you do. Mr Flaherty- you get the best fan award I appreciate all you do for us, and you have to send me more salsa next year. Dad you are perhaps the best coach I have ever had. You are my life coach, thank you for always being here for me and coming to all of my games. I know I drive you crazy, but you wouldn't love me any other way. Mom, the apple doesn't fall far from the tree- I love that even when I'm wrong you will be the first person to defend me: your one of a kind and I love you for it I don't know what I do without you in my life. And to my fellow seniors, what would I do without you three? Inseparable since the day we walked thru these high school doors, I don't know what I will do without you next year, who's gonna talk me out of all my bad choices? We gotta get skype. I ended my tournament softball career and now my school ball career with the best three girls I know. Soph-square til I die. Thank you to all my team mates for giving me the best senior year I could ask for. My advice for next year: live it up and play hard, and of course go to church on Sunday. I'm gonna miss you guys almost as much as your gonna miss me.

Chaney will be attending East Carolina University
