

Hopewell High School – Softball – Senior Night Speech – 2009
Chelsea Franklin # 10 - Outfield

It's hard to believe that MY senior night is actually here. As a freshman, I was completely terrified of what was to come when I got to high school. Little did I know- this is the place that I would meet the greatest people in the world, and be apart of the best things known- the Hopewell softball team. Never have I been with 12 other girls that I love and adore as much as you all. To my senior captains- it really isn't fair that two girls can be as beautiful, smart, and athletic as you two are. I couldn't ask to spend my last year with anyone more sweet. To all the other girls, be good next year- listen to Web at practices, and if you feel the need to complain during poles or you ever get randomly injured, I hope you think of me. Thank you to my beautiful mother and father, both of whom have supported and loved me unconditionally in whatever I choose to do. To all the coaches, thanks for the hours spent perfecting our crow hops and correcting our swings; and to Web, thank you for looking out for me. I know that if you're anywhere I am, I'll be safe and have a place to go. I can never really truly express how much anyone associated with this team means to me, so, before the tears come, it's been real, and it's been fun- I love you all.

Plans for the future: Attend the University of Georgia (Go Dawgs!) Major is undecided but minor in espanol ☺
